“ His Journey Has Just Begun ”
By E. Brenneman

**Don't think of him as gone away-
His journey's just begun,
Life holds so many facets-
This earth is only one**

**Just think of him as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.**

**Think how he must be wishing
That we could know today
How nothing but our sadness
Can really pass away.**

**And think of him as living
In the hearts of those he touched...
For nothing loved is ever lost-
And he was loved so much.**

Acknowledgments

**The family would like to express their deep appreciation and
sincere thanks for all acts of kindness shown to them during
their time of bereavement.**
