

God looked around His garden
And found an empty space.
He then looked down upon the earth
And saw your tired face.
He put His arm around you
And lifted you to rest.
God's garden must be beautiful
For He only takes the best.
He knew that you were weary
And He knew that you were in pain
He knew that you would never
Be well on earth again.
He saw the road was getting rough
And the hills were hard to climb
So He closed your weary eyelids
And whispered, "Peace Be Thine".
