A Letter from Heaven

When Tomorrow starts without me
and I'm not there to see;
If the sun should rise and find your
eyes all filled with tears for me.

I wish so much you wouldn't cry
The way you did today
While thinking of the many things
We didn't get to say.

I know how much you love me
as much as I love you.
And each time that you think of me,
I know you'll miss me too.

When tomorrow starts without me,
Don't think we're far apart
For every time you think of me,
I'm right here in your heart.
