*God's Plan*

Dear Family,

I didn't think I would go so soon, but God had other plans for me. Cry for me a little, but my soul has been set free.

Free from all the sickness and pain that I adored all the years of my life.

Miss me just a little and remember the love that we all once shared. Remember the laughs and the good times that we had. This is a journey that we must take one day. Its all apart of GOD'S PLAN, a step on the way to heaven.

So, when you think of me, just think all happy thoughts. Just remember it wasn't my time to go, but it was GOD'S PLAN to send me home.....

## **OUR BELOVED GRANDMOTHER**

*Dear Grandma,*

*It's always sad but comforting to silently recall your smile and dear familiar face that was loved by all. The world will keep turning day to day but our precious memories of you will never go away. We hope that this message which carries so much love finds its way to you in heaven up above. So, grandma, although you are at rest, you will always live in our hearts with much love because you were the best.*

*Love your 2 loving grandsons,  
Desron & Tyler*

## **A LOVING SISTER LIKE YOU**

*Dear Diane,*

*We just wanted you to know that you meant the world to us and to have you as a sister was truly a blessing.*

*Only a heart as dear as yours would give so unselfishly.*

*The many things you've done, all the times that you were there, helps me know that deep down inside, how much you really care.*

*Even though we might not say how much we appreciate all you do, but we were truly blessed to have*

*A LOVING SISTER LIKE YOU...*

*Love You Always & Forever  
Your Brothers & Sisters*

## *Acknowledgements*

*Perhaps you sent a lovely card or sat quietly in a chair.*

*Perhaps you sent a floral piece, if so we saw it there.*

*Perhaps you spoke some kind words as many people would say.*

*Perhaps you were not there at all just thought of us on that day.*

*Whatever you did to console our hearts. We the Hill family would like to say Thank You as we go through this difficult time in our lives.*
