Obituary

Claudin Jasmin may not have been a perfect father and that's ok, but he did love his family. He just had a hard time expressing that love in the right way. Despite the ups and downs, he managed to teach me the importance of self-discipline, hard-work, and faith. I'm sure I did not make it easy for him. He helped me learn how to love in difficult situations by going beyond myself. I pray that I will be able share my relationship with him to my children so that they may understand that love requires constant maintenance and the will to learn. My father was and will always be in my heart. May he Rest In Peace.

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.

I could not stay another day.

To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.

If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.

Good friends, good times,
a loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!
