# *The Magic of A Mother's Touch*

There's magic in mother's touch,  
And sunshine in her smile  
There's love in everything she does  
To make our lives worthwhile  
We can find both love and courage  
Just by looking in her eyes  
Her laughter is a source of joy,  
Her words are warm and wise  
There is a kindness and compassion  
To be found in her embrace  
And we see the light of Heaven  
Shining from a mother's face.
