Obituary

Cynthia M. Bullock was born and raised in Oxford, North Carolina to Edward Bodison and Meta Taylor Bodison. She was raised on a farm among her siblings where she learned agriculture at a young age. At the age 15 Cynthia migrated to New Jersey and started a family of her own. Cynthia mothered two beautiful daughters, Denise Diane Bodison Talley and Charmaine Gordon-Johnson. In 1979, she met the love of her life James Bullock and a year later they were married in Newark, NJ. After 19 loving years of marriage James transitioned into eternal life.

Cynthia worked as a housekeeper for Rutgers University for 10 years. Then she went onto work for Bell Atlantic (now known as Verizon) for 15 years. Cynthia spent most of her labored years as Teacher for Tender Loving Care Daycare in East Orange. Cynthia always had an unconditional love for children. She retired from childcare after 20 years of dedicated service.

Cynthia held many titles such as Mother, Wife, Grandmother, Great Grandmother Aunt, Sister, Cousin, Friend and many more. Cynthia leaves to cherish her memories, her beloved daughters; Diane Talley, Charmaine Gordon-Johnson and her husband Eric Johnson; Her cherished grandchildren; Tajahn Gordon, Cierra Gordon, Yasmeeen Johnson, Kiani Talley, Zay-Quan Johnson and Quasim Clifton. Her

great grandchildren Alyssa Norvil, Jeremiah Norvil (preceded in death) Aubree Gordon and Aria Norvil. She was preceded in death by all but one of her 13 siblings, Miles Bodison. She nurtured many children as her own, among many was her god daughter Zakiyyah Pennix and host of nieces and nephews.

Cynthia leaves behinds nothing but beautiful memories. She will always be remembered for her enormous heart and telling it like it is. To many she was known as “Little Bit” and “Bullock” and possessed a smile that could light up a room. Her selfless love will never be forgotten. She will forever be in our hearts.

An Eternal Memory...

...*Until We Meet Again*

Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
but you're forever in my heart
until we meet again
