Allah, the Everliving, the Self-Subsisting, the Eternal; there is no God but He! He neither slumbers nor sleeps. Everything in the heavens and earth belongs to Him. Who can intercede in His presence except as He wills? He knows what lies before us and what is hidden from us, and we cannot gain knowledge of anything except as He wills. For His is the kingdom, the power and the glory, and He guards and preserves the heavens and the earth without weariness; for He is the Most High, the Most Glorious One.* (2:255).

I'm Free

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savoured much,
Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.
