Obituary

Rashidah Yanira Bryant, better known to her Family & Friends as "Shidah" or "Shi-Shi", was born on December 29th 1998, to Frederick Rashid Bryant & the late Leah Ernestine Sutton. RaShidah was the middle child, but her child-like spirit always kept her as the baby in her family's eyes. Shidah was always an easy kid, always smiling and laughing. Her silly personality filled any room she entered.

Shidah was born and raised in Newark, she attended 13th Avenue for elementary & middle school. Her high school years were spent at Newark Prep where she graduated in 2017. She was very talented, during her younger years she discovered a passion for artwork with her many drawings. She showed everyone a creative side most never knew, and that passion progressed as she became a young adult, when she taught herself how to apply makeup. Rashidah had an undeniable talent that would have blossomed into something wonderful. She aspired to become a makeup artist and create a name for herself. She enjoyed hanging out with her sister, spending time with her nieces & Her Son, watching Teen a mom, Siesta Key and The First 48.

Rashidah was so full of life, smart, quiet and beautiful, She was very popular amongst her peers. As she grew into a teenager & young lady she caught the eye of Rob Dorrah Jr. Their relationship was like a world wind romance, from puppy love to parenthood.

The two decided to bless the world with their Son Aiden Dorrah born December 8th 2015. Aiden was his mother's pride & joy. They both doted over him and was determined to give him a great life, which was her life's meaning & her happiness was dedicated to fulfilling just that. The two co parented as good friends with the help of their parents.

Other than spending time with her son, she worked and spent a great deal of her time with family and her best friends, Tamia, Tahirah and Tanera. Just 21 and living it to the max, she had dreams to live out and fun times to make.

Sadly, on July 26th 2020 her life was cut short. Rashidah is predeceased by her loving Mother Leah Sutton. She leaves to cherish her memories; her Father Frederick Rashid Bryant, son Aiden "A-Butt" Dorrah, Siblings: Saniyyah Pritchett, Kyree Bryant, Cieara Reed-Kimbell & Tymeer Reed. Nieces: A'Layah & Tanai Harris. Nephews: Zy'ien & Zyden Reed-Kimbell. Her sister-Cousins: Asatidah(Kayae & Bri'on), & Alnisa Sellers (Jala & Asaad), and Christine "Chrissy" Davin. Precious Memories

Forever In Our Hearts

*Don't remember me with sadness,
Don't remember me with the tears,
Remember me all the laughter,
We've shared throughout the years. Now I am
contented That my life was worthwhile, Knowing
that I passed along the way
I made somebody smile.
When you are walking down the street And you've
got me on your mind, I'm walking in your footsteps
Only half a step behind. So please don't be
unhappy Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.*
