

By the Way...

I lived on 634 Powell Street, Brooklyn, NY for many years. My new home address is so much better. I pray that you get to move here yourself one day.... So, before I close, let me give you my new address:

GODSTOWN, HEAVEN 00357

P.S. – I do not have a telephone, but you can always call on God. If you do not know the number, read your Bible, it is listed on every page.

Reverend M. Zidde Hamatheite, Pastor & Officiant
Elder Gregory Brad Cutler, Eulogist

Snow,

From the time we met you were a strong man. I will forever be grateful for sharing you and our love. Dreams do come true because it happened to me and forever, I will be thanking the Lord for our union. With every beat of my heart there was always one for you. I appreciate you wanted to share your life with me and all my years with you it was a loving and exciting journey.

I know will always have so many memories of us, but it is the laughter that I will forever remember because that's just the way we were. I will miss your smile; I cannot hear your voice calling me, but I do know our love is forever.

*Farwell my love ♥
Your Wife,
Bettie*

P.S. – Little did I know that morning that God would call your name. In life I loved you dearly, in death our love remains the same.
