OBITUARY

Who was Alana?

Alana Kyra Mungin was 11 years old, born on December 23, 2008 at St. Barnabas Hospital in the Bronx, New York.

Alana was 4 feet tall but seemed 6 feet tall. She was a straight "A" student that was ambitious and caring. Alana enjoyed live theater, painting and dancing with her friends at the dance studio. Alana loved her phone apps. TIKTOK was her favorite where she showed off her dance moves. Alana mostly enjoyed relaxing and spending time with her mom on movie nights and watching gospel clips on YouTube. She also enjoyed watching gospel movies like Donut Hole and Charity Church Mouse with Auntie Cheryl and going to church with her Godmother Vanessa.

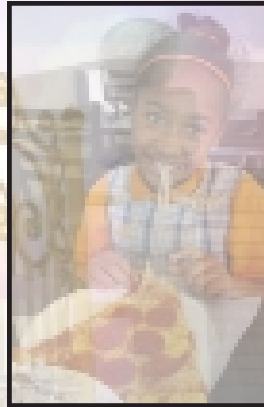

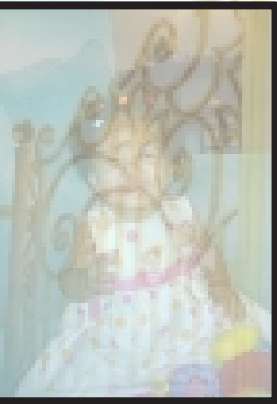

Alana would look forward to spending time with her best friend, Annie and her cousins, Belovitt, Abrielle, Jonathan and Lauren collectively called "The Musketeers." Her last few days with "The Musketeers" were spent bowling, zip lining and swimming at the beach. She also attended the outdoor movies and amusement park. She would live chat with her squad when watching her favorite TV shows such as Once Upon a Time, The Umbrella Academy, Blue Exorcist and Fairytale.

Alana loved music, when her mom told her to go to bed; she would still listen to her head phones. She would practice and learn dance moves in her head. She was the center of attention when she started moving her feet. She was full of rhythm and joy from a young age. Alana dreamed of having her own dance studio in which she would teach the community. She also had a sharp fashion sense. Her favorite colors were teal and fusion pink which she wore in many of her clothing. She loved wearing coordinated outfits with mom.

When it came to food, Alana took a liking to fine dining. You could not bring her to any fast food restaurant and get away with it. Alana, sassy and confident would let you know "I am too grown for the kids menu". She loved her City Island crab legs and wings from Dino BBQ. She also loved helping mom in the kitchen for Sunday dinner. She will truly be missed.

On August 12th, 2020 at Montefiore Hospital in the Bronx, NY, Alana Kyra Mungin earned her wings. She had a heart attack that was caused by a medical procedure within the hospital. Alana's heart beats within her family and is survived by: parents, Elsie Little and Charles Mungin; her older brother, Kyle Little; great grandmother, Karen Barkley; great grandfather, Oscar Richardson; her grandmother, Tamara Linton; the siblings from her father's side, Isaiah, Maurice, Tyreek, Crenshaw, Dominique, Shonda and Kiesha; the siblings from her mother's side, Marcia, Cheryl, Taletha, Shakeya, Karen, Shanice, Akeem, (deceased) Jonathan, Nicko, Quindale, Quandale and Isaiah; aunts and uncles, Billy, Charlotte, Sylvia and Jean; step father, Jamal Harris; Godmother, Vanessa Mungin; and over twenty immediate cousins.

A HEART OF GOLD

A heart of gold stopped beating,
Two shining eyes at rest,
God broke our hearts to prove
He only takes the best,
God knows you had to leave us,
But you didn't go alone,
For part of us went with you,
The day He took you home.
To some you will be forgotten,
To others, just part of the past,
But to us who loved and lost you,
Your memory will always last.
