A CELEBRATION OF LIFE FOR APRIL L. EVANS

APRIL, affectionately known as Ladii A born to April Y. Baker and the late Kenneth Evans, on March 2, 1970 in New York, New York and raised in the Bronx.

She received her basic education in the Bronx from Immaculate Conception School and Lehman High School and received her GED. April was never the shy type in school but always the girl you wanted to know. She made many friends, she had such a beautiful heart, caring about others, their feelings and concerns. Her friends mattered to her. In life we all have that one best friend, but April was everyone's best friend, ready to lend a helping hand and come to your aid whenever you called.

April was big on family. She loved each relationship unconditionally. Her mother was the soul of her existence, her children were her lifeline and her sisters were her confidantes, prayer warriors, truth tellers and grace givers. She was an aunt who loved like a mother and a friend; but she let it be known not to cross the boundary line of respect. April loved her family with all she had good, bad and indifferent. Although April was the baby sister and yes, short in height, but she stood tall and ready to defend her family.

April enjoyed life, she loved to laugh and loved the beach. What gave her the greatest joy was spending time with her two grandchildren (13 years old and 3 months old). Her heart smiled with every hug, kiss and laugh she shared with these two precious gifts. April was able to have, although short, valuable and priceless time with Isaiah and Alexandria. They gave her what was unimaginable happiness.

April departed from us on August 26, 2020. She leaves to cherish her memory, her mother April, son, Justin (Melissa, Heaven and Anthony), daughter Brandi (Alex), grandchildren, Isaiah and Alexandria, sisters, Cassandra, Vernelle and Lisa, nieces, Tashia, Whitney and Journee, great-nephew, Quadir, great-niece, Paitynn as well as a host of her loving family and friends.

*Yes, we are fully confident, and we
would rather be away from these earthly bodies
for then we will be at home with the Lord

FOOTPRINTS

One night, she had a dream she was walking along the beach with the Lord. Scenes from her life flashed across the sky. In each, she noticed footprints in the sand. Sometimes there were two sets of footprints others there were only one.

During the lowest times of my life I could see only one set of footprints, so I said "Lord, you promised me, that you would walk with me always.

Why, when I have
needed you most,
would you leave me?"

The Lord replied, "My precious child,
I love you and would never leave you.

The times when you
have seen only one set of footprints,
it was then that I carried you"
