Come To Me

God saw she was getting tired
And a cure was not to be
So He gently closed those loving eyes
And whispered "Come to me"
The days of toil and nights of pain
The weary hours have passed
The patient gentle worn out frame
Has found sweet rest at last.
Day and night we stood by her
And saw her in pain,
Anxiously awaiting her cure
But our waiting was in vain.
God who knoweth all things best
Eased her suffering, gave her rest
She is gone but not forgotten,
Never will our memories fade
Sweetest thoughts of her will ever linger
Round the place where she rests.
