Pastor Paul Peart, Officiating
Reverend Ingrid Peart, Organist

Obituary

Satyra Kelly was born March 15, 1950 to Doris Williamson Kelly and Zacharia Kelly in Montego Bay Jamaica West Indies. She preferred to be called by her last name "Kelly" migrated to the United States to seek a better life. Kelly worked while attending Lehman College, graduated and began working for the City of New York HRA since 1990.

Aunt Kelly was a member of the New Testament Church of God (3356 Seymour Ave). As a single woman with no children, she enjoyed reading, traveling, shopping, going to Broadway and local shows, but most of all she loved going to church, reading the BIBLE and anything to do with serving the Lord.

Kelly was always ready to help anyone in need, one of the main duties of her job at HRA is to help those in need. Maybe that's why she refused to retire although she qualified, she just continued helping. Whatever she could do to help consider it done, she just loved to give - fruits, candy, words of encouragement, hope, tough love with that "don't quit" stubborn attitude. She was also a hustler - Kelly sold candy on her job, when she travelled, etc. then gave the profits to her church or someone in need. She believed in sharing whatever she had because she truly cared.

Kelly was an active member of DC37, she sometimes worked at voting stations, and went to Albany with her coworkers many times when called upon to protest for our rights.

Anyone who knows Kelly - knows she was a very private person, she was a fighter and chose to fight alone with God by her side. She never let anyone (family, coworkers, etc.) know what's going on with her health.

In October 2019, we found out she was dealing with various health issues and took her to the best hospitals for full exams, etc., and found out Kelly had Lupus. The Lupus slowly took over-affecting her walking ability, then short-term memory, etc. All along her faith was strong in the Lord, she never worried about anything and said she is leaving it all up to God. While at Kings Harbor Rehabilitation Center, Kelly lost the fight to Lupus on October 5, 2020.

On that day the Lord freed her to be at a better place.

Something I discovered about Satyra Kelly

Aunt Kelly gave Love and was Loved by people everywhere she went.

Her coworkers love and miss her, her Eastchester Heights neighbors love and miss her

The New Testament church sisters and brothers love and miss her

The doctors at the hospitals and staff at Kings Harbor love and miss her

*Everyone who met and got to know Kelly will never forget her,
she was loved and will be missed dearly.*

*Satyra Kelly is saved and in a better place now, we remember she always spoke
of the Lord and warned us to get saved because we are in the end times.*

Kelly's surviving relatives: sisters Mary and Josephene, brother Septy, nieces, nephews, grandnieces and grandnephews all miss her dearly.

Interment
Thursday November 12, 2020
Mt. Hope Cemetery
Hastings-in-Hudson, New York

The Lord's Prayer

Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For Thine is the kingdom, and the power, and the glory, for ever. Amen.

Acknowledgments

The Family wishes to express deep appreciation for the many comforting calls, messages, prayers, thoughts, and other expressions of sympathy that we have received during our bereavement.
