Obituary

Libia Arenas Garcia was born in Coexbala Tilapa Puebla, Mexico to Antonio Arenas and Selestina Garcia Munoz. She is survived by her husband, Emiliano Razo Ortega; and her children Elias, Luis, Maximilio, Mariano, Rosa and Maria

Mom,

This really has made us all hit rock bottom. All of us, the whole family. You were really the last person we thought that God would take away from us.

You know what they say, you are in a better place now with no more suffering. You're the best mother that anyone could ever ask for. You wanted the best for everyone in the family, especially for all of your children.

I remember your favorite thing, and that is to have a family reunion where we all get together and eat as a family

You love to see us all having a fun time together. You used to take care of all of the kids whenever you could. You loved kids, and loved taking care of them. Because of you Mom, we learn and feel the true meaning of giving unconditional love. For that we are thankful, we will miss you a lot, and we will always love you

Dios tenia un plan Diferente para ti, pues ahora eres un Angelito que des del cielo nos as de cuidar. Te queremos Mama Siempre estaras en nuestro corazon.

Descanse en paz
