The Almighty God has called his beloved child Hashala Andrea June St. Louis home on December 18, 2020. God whispered in her ear “Your work here on earth is done, its time to take your rest and go to your heavenly home.”

Hashala Andrea June St. Louis was born in Trinidad and Tobago on February 20, 1957 as the second child to Desmond E. St. Louis and Andrea C. St. Louis. Hashala was the loving sister to her oldest sister Allyson Daniels, her two younger sister’s Beverly St. Louis and Marcia St. Louis. Hashala became a mother in 1980 when she gave birth to twins Desmond R. St. Louis and Camilla R. St. Louis, in 1988 she gave birth to her third child Kimberly St. Louis and her last child in 1991 Leaman St. Louis. Hashala graduated from Bayside High School in 1975 and continued her education at Touro College and graduated in 2003. Hashala worked in the health care for field many years.

But if you knew Hashala well you knew that her expertise and passion was for Cooking, especially on the grill. She was the Queen on that Barbeque grill. Many of us here enjoyed the love that she put into the meals that she prepared, those meals nourished our bodies. She took great pride in feeding people. Hashala had a big heart and if you had the pleasure of knowing her she gave you a piece of her heart. Her heart was even bigger for animals especially dogs and birds, she always had a pet dog and a couple of birds. But the most amazing part of Hashala was how big her heart was to serve in the community she lived in. She worked tirelessly as a community advocate for the families in Bushwick, Brooklyn.

Hashala Leaves to cherish her fond memories with her parents Desmond E. and Andrea C. St. Louis, her four children Desmond, Camilla, Kimberly and Leaman St. Louis, her five grandchildren Natayshia Frelinghuysen, Desmond St. Louis, Theodore Jones III, Jaylen and Matthew St. Louis, 2 bonus granddaughters Bianca Hines and Hilary Appiah, her three sisters Allyson Daniels, Beverly and Marcia St. Louis, her brother-in-law Terrence Daniels, her daughter-in-law Marjorie St. Louis, her beloved dog Destiny and noisy birds Violet and Olive, a host of nieces, nephews, close relatives and friends.

Andie is Free now, Free from pain and suffering. She was full of life and lived life freely in her own special unapologetic way.
