Benediction

Recessional

*To lose someone so special
Is really hard to bear
It hardly seems believable
That you're no longer there*

*You left us far too early
Before your time, it seems
And now you'll never have the chance
To fulfil all those dreams*

*However hard it is though
We'll take comfort in the thought
Of all the memories we have
And the happiness you brought*

*You always lived life to the full
But ours won't be the same
Until the day when we can see
Your smiling face again...*
