

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.
I could not stay another day.
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.
If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief, Don't
lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!

Faith

By Linda Lewis

All prayers are answered

Faith is knowing that what you believe is true

Faith is knowing that what you believe is possible

Faith is behaving like what you believe happens
according to God's Will

Faith is behaving like what you believe is done

When you believe, there is unwavering strength and
power

Strength that carries you through it all

Power that propels you through it all

*"I pray that the eyes of your heart may be enlightened
in order that you may know the hope to which he has
called you, the riches of his glorious inheritance in his
holy people, 19 and his incomparably great power for
us who believe. That power is the same as the mighty
strength." Ephesians 1:19*

On November 9, 1980 God blessed Linda J. Spears Thomas and Berry Lee Thomas with a 5lb 2oz baby girl. Her name was Faithe Joyce Thomas. She was good. There is no other way to describe her essence other than she was good. She was spirit-filled, she loved people, she was kind and she loved to laugh. She attended and graduated from Union Public Schools and spent her professional career with the school district first in the classroom as an aide to students with special needs and later as an administrative secretary in the technology department. Her work ethic was to be admired. She performed tasks without question and contributed with enhancements whenever possible. However her favorite job of all was working in the Union Recreation Department in open gym and once upon a time in the parks during the summer. She enjoyed working with the children and the adults who participated in the program and she just loved her open gym co-workers.

Faithe valued friendship and was a loyal friend, however, anyone who knew her knew her pride and joy were her son Joshua and her son Anthony. She LOVED planning parties for them so much so that it is needless to say that each year there was a blow out birthday party for each one of the boys. When Joshua turned 13 she was delirious with the party planning and the result was a piece de resistance. Covid 19 did not stop Faithe she organized a drive by 5 year birthday celebration with backyard balloons that spelled out Anthony's name, age and screamed happy birthday. She even handed out cupcakes as the guests filed past the house in their cars. (By the way a few weeks ago, when Joshua turned 15, she wanted to do the same thing for him but he emphatically refused. Nonetheless, she still had cupcakes and organized some of his friends to come by the house in a socially distant manner.)

She was a member of the First Baptist Church of Vauxhall where she was baptized, dedicated her boys and ensured that the oldest participated in church activities. Faithe loved the Lord. She loved listening to gospel music especially. "Never Would Have Made It". "How Great is our God", "Every Praise" and "I Never Lost My Praise."

On February 2, 2021 The Lord stopped by St. Barnabas Hospital in Livingston, New Jersey and took Faithe Home. She leaves her two sons Joshua Berry Woodford 15 and Anthony Albert Windham 5, Her mother Linda Joyce Lewis and beloved relatives and friends. Faithe Thomas, Faithe Thomas we love you sooooo much.
