A Mother's Love

A mother's love is something that no one can explain, it is made of deep devotion and sacrifice and pain, it is endless and unselfish and enduring come what may for nothing can destroy it or take that love away... It is patient and forgiving when all others are forsaking, and it never fails or falters even though the heart is breaking... it believes beyond believing when the world around condemns, and it glows with all the beauty of the rarest, brightest gems ... It is far beyond defining, it defies all explanation, and it still remains a secret like the mysteries of creation ... a many splendor miracle man cannot understand and another wondrous evidence of God's tender guiding hand.

When He Was On The Cross

I'm not on an ego trip I'm nothing on my own I
made mistakes I often slip
Just common flesh and bones
But I'll prove someday just why I say
I'm of a special kind
For when he was on the cross
I was on his mind.

The look of love was on his face
Thrones were on his head
The blood was on his scarlet robe
Stained a crimson red
Though his eyes were on the crowd that day
He looked ahead in time
For when he was on the cross
I was on his mind.

He knew me, yet he loved me
He whose glory makes the heavens shine
So unworthy of such mercy
Yet when he was on the cross
I was on his mind.

Yet when he was on the cross
I was on his mind.

Somewhere Around God's Throne

I went to the house, where I used to live
The grass had grown up and it covered the door
Someone across the street
Said I know whom you seek
But they, they don't live here anymore

Chorus:

They are somewhere around the throne of God
Somewhere around the throne of God
I keep searching, searching until I shall find them
They are somewhere around God's throne

And I went to the church where I used to go
The preacher he was still there, he met me at the door
He said I know who you are
And I know who you're looking for
But they, they don't come here anymore, no they don't

Chorus:

They are somewhere around the throne of God
Somewhere around the throne of God
I keep searching, keep on searching until I shall find them
They are somewhere around God's throne

Chorus:

I know they are somewhere around the throne of God
Somewhere around the throne of God
I keep searching, keep on searching until I shall find them
They are somewhere around God's throne
