# Heaven Has Gained An Angel

As you complete this temporary journey  
you have embraced our hearts  
Yes we mourn but realize this is where your life  
truly starts your smile sparkled greater  
than silver and gold We're willing to let go of  
your hand so that God can grab hold . We will  
always love you as you have continued to love us  
all we ask now is that you look down while you  
are above us we are grateful that God put us in  
the midst of your presence we breathe with your  
memory and walk with your essence. The Lord is  
our Shepherd He tends to us as sheep and mends  
the hearts that are weak until one day we can  
shake his hand and sit at his feet we don't think of  
you as a loss to our family that remains We  
cherish you as a beautiful angel that heaven has gained!
