OBITUARY

MA'LONI LOVE MELVILLE

The most precious Love was born the daughter of Jazmine Warren and Michael Melville, two young adults in bliss, on February 20, 2021 at 8:37pm. Ma'Loni Love Melville broke our hearts, leaving us suddenly on February 28, 2021.

Ma'Loni Love, 'Noni', as her [maternal] grandmother would affectionately call her, came into this world with an unforgettable smile. A baby so beautiful, so soft [and] wrinkle-free with a side smile and silky hair. She talked with her fingers; we saw it coming O she was going to have a lot to say. Daily, her parents gushed [over] and loved on her. Her parents and family had so many plans for her, but now we know [that] God had a different one.

She is survived by her parents, her maternal grandmother, Alicia D. Warren; her paternal grandparents, Marcia Melville & Paul Allen; aunts, uncles, and many cousins, near and far.

160. O Allah, protect her from the torment of the grave.(1)O Allah, make her a precursor, a forerunner and a treasure for her parents and an answered intercessor. O Allah, make her weigh heavily in their scales (of good) and magnify their reward. Make her join the righteous of the believers. Place her in the care of Ibrahim. Save her by Your mercy from the torment of Hell. Give her a home better than her home and a family better than her family. O Allah, forgive those who have gone before us, our children lost (by death), and those who have preceded us in Faith.(2)

Ibn Qudamah, Al-Mughni 3/416.

PRECIOUS MEMORIES

Although we seem so far apart,
You're always here within our hearts.
You filled our lives with joy and
pleasure
You were to us a precious treasure.
A little while shall pass and then,
We'll see each other once again.
Loved, remembered and held so dear,
In minds and hearts you're always
here.
