Obituary

De-Asia graced all of us with her presence into this world on October 16, 1984. She was born in the Bronx to Evelyn and Prince. Everyone who knew and loved De-Asia referred to her as Dee-Dee. She was one of 7 siblings and a mother of two boys; Amarion and Siah. Married to Richard “Country” Anderson.

Dee Dee had many siblings. She was one of countless cousins. Life on Perry Ave for the grand children was filled with fun and adventure. Dee Dee loved to laugh. She would make any serious situation light with a comment or joke. She liked to showcase bold eyelashes and lengthy wigs. Very glamorous!!!!

De-Asia loved to listen to music and dance. I’m She possessed a celebratory spirit; loved to be with family and friends for holidays and special occasions.

During her high school years Dee Dee became a mother to Amarion. Despite many challenges and with hard work Dee-Dee was able to obtain her Diploma. She was asked to speak at her graduation ceremony about her journey in becoming a high school graduate while caring for her son. What an honor!

Many may be surprised to know Dee-Dee was diagnosed with lupus at the tender age of 26. Learning she had this debilitating condition was life altering however despite it all she persevered. She became a wife, raised her children and worked. Even though Dee Dee was challenged by this medical condition she gathered up strength to be a loving wife, caring mother, devoted family member and loyal friend.

She will be truly missed by her grandmother, parents, siblings, many aunts and uncles, nieces and nephews, countless cousins and endless friends. Dee Dee has left an ever lasting impression on our hearts.
