## Obituary

Today we celebrate the life of our dear great-grandmother, grandmother and mother **Lucille Estelle Dunlop** born on November 7th 1926 who was born to Joseph Emmanuel Henry and Maud Louise Henry in St Thomas, VI. Her younger sibling's name was Clifton Henry who was 3 years her junior. At the age of 3 her mother passed away and her father remarried to Alberta Henry. Through that union her step-sister Hyacinth James was born. Lucille arrived in New York City in 1945 around the age of 19 where she resided with her aunt.

While in New York she met the love of her life Oswaino Alexander Dunlop Sr. They were married September 18th 1948. From this union she bore a son Oswaino Alexander Dunlop Jr then a daughter Margarita Dunlop.

Lucille started her work career at St Luke's Hospital as a Dietary Aide then transferred to Fordham Hospital with the same role. She finally completed her career as a Dietary Aide at North Central Hospital where she retired in 1992.

In 1992, she moved in to live with her daughter Margarita Shields and her family due to a stroke but this didn't slow her down. She relinquished her home after her recovery to a family less fortunate than her.

In 2001, she attended the church King of Kings and Lord of Lords pastored by Everton Dunkley. Lucille continued to engage in her own ministry by helping the shut in, needy and sick. She was nicknamed "Praise him" for her passion to break out in a shout whenever she heard good news! She never ceased to Praise the Lord!

Sadly in 2001, her husband Oswaino Alexander Dunlop Sr. passed away while living in St Thomas, VI.

For the next 20 years of her life, she had no worries or concerns due to the unfailing love and support of her daughter Margarita Shields. She was able to join a Senior Community Center which kept her active and social, she attended several church events, plays and traveled extensively. She was committed to reading her Bible daily with her favorite passages coming from the book of Psalms notably Psalm 150:6 "Let everything that have breath praise the Lord." She would talk with her grandchildren and share her life experiences and wisdom and would sing "Jesus loves the little children" to her great-grandchildren.

Mother Dunlop transitioned on February 22nd 2021 with her last words being Halleluyah!

She is succeeded by her son Oswaino Dunlop Jr and daughter Margarita Shields. Her grandchildren Cherise Dunlop, Alex Dunlop, Alfred Dunlop, Aisha Jenkins, Ronald Shields Jr., Stanaford Shields, Sunshine Dunlop, Dawn Dunlop. Her great-grandchildren Ashantii Dunlop, Charaya Ortiz, Chayla Ortiz, Charell Ortiz, Lena Jenkins, Carter Shields, Cherutah Shields, Salome Shields, Shemayahu Shields and London Williams as well as a host of cousins, nephews, nieces and spiritual children and grandchildren. She will be dearly missed but she is where she always wanted to be...in the presence of the Lord.

# *When I Must Leave Leave You*

**When I must leave you for a little while  
Please do not grieve and shed wild tears  
And hug your sorrow to you through the years  
But start out bravely with a gallant smile  
And for my sake and in my name  
Live on and do all things the same  
Feed not your loneliness on empty days  
But fill each waking hour in useful ways  
Reach out your hand in comfort and in cheer  
And I in turn will comfort you  
And hold you near  
And never, never be afraid to die  
For I am waiting for you in the sky!  
-Helen Steiner Rice**
