I'm ~~Free~~ To Me

God saw you were getting tired

Don't grieve for me, for now I'm
And a cure was not to be
free,

I'm for ~~So he put His arms~~ around you
me.

I took ~~And whispered~~ "Come to me."
call,

I turned my back and left it all.

~~With tearful eyes we watched you~~

~~I could not stay another day,~~
To laugh, to love, to work, to play,
And saw you pass away
Tasks left undone must stay that

~~Although we loved you dearly~~
I've found that peace at the close of
the day

~~We could not make you stay.~~

If my parting has left a void,
Then fill it with remembered joy.
A friend's ~~golden heart~~ stopped beating
Ah yes, these things I too will miss.

~~Hard working hands at rest~~

Be not burdened with times of
God broke our hearts to prove
sorrow.

I wish you the sunshine of

My Life's been full, I savoured
much,

Good friends, good times, a loved
one's touch,

Perhaps my time seemed all too

~~The family acknowledges with deep appreciation all acts of~~
