As I sit in heaven
And watch you everyday
I try to let you know with signs
I never went away
I hear you when you're laughing
I watch you as you sleep
I even place my arms around you
To calm you as you weep
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you are not alone
Don't feel guilt that you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself be free
Then I know with every breath you take
You'll be taking one for me...
