## *Miss Me, But Let Me Go*

*When I come to the end of the road and the sun has set for me,  
I want no rites in a gloom filled room, Why cry for a soul set free?  
Miss me a little-but not too long, and not with your head bowed low.  
Remember the love that we once shared, Miss me-but let me go.  
For this is a journey that we all must take, And each must go alone.  
It's all part of the Master's plan, A step on the road to home.  
When you are lonely and sick at heart, Go to the friends we know.  
Laugh at the things we use to do, Miss me-but let me go.*
