Obituary

Daniel Foote was born on February 10, 1971 to Lorriane Foote and Al Yabor at Kings County Hospital in Brooklyn, New York. Daniel unexpectedly departed this world on April 1, 2021.

Daniel was a sweet and curious child. He had a lovable smile and passion for his favorite singer Chaka Khan. Daniel attended New York City public school throughout his childhood. During his teenage years Daniel played sports and worked for summer youth programs. Daniel was accepted and attended Iona college in New Rochelle where he received his Bachelor's degree in Communications.

Daniel was a naturally gifted soul who acquired information easily. He worked in the information technology field starting at fortune 500 company, Sprint for many years and technical support for the NY City Department of Education system. Later working as a technical consultant for his expertise for many private sector companies. Though Daniel's true passion, if you knew him, was food. Following his passion, Daniel decided to move to Atlanta, Georgia where he briefly became a chef and manager for the legendary Waffle House franchise. Though his time there was short, he would find great pleasure in whipping up creative dishes for you to enjoy. Daniel began his final passion project in photography and his weekly comedy club special "Four comedians and a Bouncer" podcast. Daniel started an LLC and was on the verge of opening up his online store. Daniel was in the beginning talks of a new podcast with a few of his good friends in his final weeks of life. If you knew Daniel you would know that he would give you the shirt off his back because that was who his soul was. Daniel has touched many people throughout his life and has left an indelible mark on all.

Daniel met his life partner, Michaela Cornwall, while providing personal security in the nightlife arena. With Daniel's quick wit and Michaela's easy going soul they quickly fell in love bonding over dinners and each other's company. They settled into life in the birthplace of Hip-Hop, the Bronx, New York. Together they made a life with Michaela's beautiful bonus family which includes her amazing six children and bonus grandchildren and great grands. Daniel's dream and goal was to move the family away from the Bronx to a place that was peaceful and where the family could spread out on some land.

Daniel leaves behind his siblings Cherise Wade, Bernice Foote and nieces Sybil Wright, Amber Petrie, nephew Charles Hyman, grand nieces and grand nephew and cousin Earl Smalls and a host of relatives.

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call*

I turned my back and left it all.

I could not stay another day.

*To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.*

*Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief, Don't
lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!*
