When I think about you it makes me smile. I have found the one whom my soul loves. You complete me and make me feel special. I was a little late being your first but God saved the best for last. You're my favorite person, I appreciate you so much. I love you so much and it's no pretending.

Blood for Blood we're gonna miss those words, people cry out for help but words don't get heard, all the money in the world can't net your worth. While you Rest In Peace my heart left this earth, rather see you in heaven rather than to let you hurt. Family over everything you protect them first. Reality ain't kick in can't believe you're gone. I was wrong always thought our pedigree too strong, in the spiritual forever Blood must live on. Prayers everyday for you to be reborn, can't express my love thought I'd let you know. All the tears and the sorrow still can't let go.

Love always, Lameggie, John, Sakinah & Rakim

Remember Me

To the living, I am gone.
To the sorrowful, I will never return.
To the angry, I was cheated but to the happy,
I am at peace and to the faithful, I have never left.
I cannot speak, but I can listen.
I cannot be seen, but I can be heard.
So as you stand upon the shore
gazing at a beautiful sea,
Remember me.
As you look in awe at a mighty forest
and its grand majesty,
Remember me.
Remember me in your hearts, in your thoughts,
and the memories of the time we loved.
The times we cried, the battle I fought,
and the times we laughed.
For if you always think of me,
I will have never gone.
