Obituary

David Johnson was born August 11, 1966 in Newark, New Jersey, the first-born sibling to Gloria Johnson.

Davis was educated in the Newark Public School System. David held numerous jobs however, his biggest job was Wakefern and later he transferred to working with machinery where he started having complications with his health which ultimately caused him to retire early.

David loved and was well loved. He grew up on Chadwick Avenue, where he attended Mount Calvary Church. David was family orientated who always was willing to help and extend a helping hand to anyone and everyone. His calm demeanor and loving smile, and unique laugh will always be remembered by all who knew David. Such a loving and caring soul. Growing up David must have had maybe 2 to 3 physical confrontations that ultimately ended up as friends to this day. It wasn't that he was afraid, he knew that it was a better way to find resolution to what ever the matter was. That was just his nature he held no animosity, he simply turned the other cheek.

David in his pass time read and sorted out passages in the Bible and often exchanged with family and friends. David did a moral search for a God of his understanding. He ultimately retreated back to what he knew and understood growing up and that is God. David will be surely missed.

David departed this life on March 31, 2021 at University Hospital in Newark, New Jersey.

He leaves to mourn yet cherish his memories: his mother Gloria Johnson, sister Towanna Travis, nephews Tywan and Tyrese Travis, his loving fiancé Alice Malave, his children Isiah Malave, Nia Malave and a whole host of relatives and friends.

He is Gone

You can shed tears that he is gone
Or you can smile because he lived.
You can close your eyes and pray that he will come back,
Or you can open your eyes and see all that he has left.
Your heart can be empty because you can't see him
Or you can be full of the love that you shared.
You can turn your back on tomorrow and live yesterday,
Or you can be happy for tomorrow because of yesterday.
You can remember him and only that he is gone.
Or you can cherish his memory and let it live on.
You can cry and close your mind, be empty and turn your back,
Or you can do what he would want:
Smile, open your eyes, love and go on.
