<u>To Those I Love</u>

To those I love and those that love me. When I am gone, release me, let me go I have so many things to see and do You mustn't tie yourself to me with tears Be happy that we had so many years. I gave you my love, you can only guess How much you gave me in happiness I thank you for the love you each have shown But now it's time I travel alone So grieve for a while for me if you must *Then let your grief be comforted by trust.* It's only for a while that we must part So bless the memories within your heart I won't be far away, for life goes on So if you need me, call and I will come Though you can't see me or touch me, I'll be near And if you listen with your heart you'll hear All my love around you so soft and clear And then, when you must come this way alone I'll greet you with a smile and say, "Welcome Home."

## Hcknowledgements

The family wishes to acknowledge with deep appreciation the many expressions of love, concern and kindness shown to their family during this hour of bereavement.
