Crossing Over

Oh, please don't feel guilty, It was just my time to go.
I see you are still feeling sad, And the tears just seem to flow.
We all come to earth for our lifetime,
and for some It's not many years.
I don't want you to keep crying, You are shedding so many tears.
I haven't really left you. Even though it may seem so.
I have just gone to my heavenly home,
And I'm closer to you than you know.
Just believe that when you say my name, I'm standing next to you
I know you long to see me, But there's nothing I can do.
But I'll still send you messages, And hope you understand,
That when your time come to "cross over",
I'll be there To take your hand
