# *I'm Free*

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call*

*I turned my back and left it all.*

*I could not stay another day.*

*To laugh, to love, to work or play.*

*Tasks left undone must stay that way,*

*I found that peace at the close of day.*

*If my parting has left a void,*

*Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss,*

*Oh, yes these things I too will miss.*

*Be not burdened with times of sorrow,*

*I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.*

*Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief, Don't  
lengthen it now with undue grief.*

*Lift up your heart and share with me,*

*God wanted me now, He set me free!*
