The Magic of a Mother's Touch

**There's magic in mother's touch,
And sunshine in her smile
There's love in everything she does
To make our lives worthwhile
We can find both love and courage
Just by looking in her eyes
Her laughter is a source of joy,
Her words are warm and wise
There is a kindness and compassion
To be found in her embrace
And we see the light of Heaven
Shining from a mother's face.**
