#### Miss Me, But Let Me Go

When I come to the end of the road and the sun has set for me. I want no rites in a gloom filled room, Why cry for a soul set free? Miss me a little-but not too long, and not with your head bowed low. Remember the love that we once shared. Miss me-but let me go. For this is a journey that we all must take, And each must go alone. It's all part of the Master's plan, A step on the road to home. When you are lonely and sick at heart, Go to the friends we know. Laugh at the things we use to do Miss me-but let me go. -author unknown
