**Eshawn McClary**, affectionately known as “Ice Money” the sixth of seven children, was born on September 2, 1981 in Bronx Lebanon Hospital to the late Sandra McClary and Johnny Price.

In 1988, Eshawn was adopted by his beloved godparents, Ruby Rhames-Chambers and Leroy Chambers. He was educated in Bronx, New York Public School system where he received his diploma from Taft High School.

Eshawn was a devoted son, caring father, supportive brother, dependable friend and much more. He took great pride and joy in connecting with his daughter and also spending time with his family; and of course, the gatherings with friends. Besides his dedication to his loved ones he was a hardworking man. His last employment was at Dollar Tree as a Freight Associate. Eshawn was always about his money and kept a job no matter what. His daughters and making money is what kept him going each and every day.

Eshawn departed this life on May 23, 2021. His godbrother, Marvin Rhames, aunt, Malfina McClary and uncle, Carlos McClary all preceded him in death.

He leaves to cherish in memory: his daughters, Eshawna McClary and Te'Sandra McClary; godmother, Ruby Rhames-Chambers; three brothers and two godbrothers, Alfonso (Hubert) McClary, Anthony McClary, John McClary, Leroy Chambers and Jamel Chambers; three sisters, Modiaste McClary, Monique McClary-White and Sequana McClary; two aunts, Joan Campbell and Terrie McClary-Mullis; two uncles, Jeffery McClary-Mullis and Tyrone McClary-Mullis; and a host of nieces, nephews, cousins, other relatives and dear friends.

## **TO OUR BROTHER, HOW DO WE SAY GOODBYE?**

### **TO A BROTHER LIKE YOU**

How do we say goodbye to a brother that  
we love as much as you?

We still cannot believe you're gone. We're  
still hoping it isn't true.

Wishing the heartache was just a dream  
from which we'd wake up and

find you still here, in life, with us or if not...  
somehow time could rewind.

For we don't know how to do it. How to say  
goodbye to a brother like you.

There's almost no one who's shared as  
much of your life.

Who knows us as well as you? So go on Ice  
Money and take a rest.

We love you, but God loves you best.

### **WHEN YOU LOSE A LOVED ONE**

When we lose a loved one, our world falls apart. We think that we can't carry on with this broken heart. Everything is different now. You're upset and you're annoyed. Your world it seems is shattered. There's such an awful void. There's got to be a reason and we have to understand.

God made us and at any time He'll reach down for our hand. There might be a warning we won't know when. The only thing certain we will meet once again.

### **LOVE IS IMMORTAL**

Love is pure energy and no matter how hard you try you can never kill love because pure energy can't die  
The feeling of love can fade, and the body can cease to give, but energy created by love is  
Immortal and continue to live.
