I'm Free

Don't grieve for me, for now I'm free.
I'm following the path God has chosen for me.
I took His hand when I heard Him call;
I turned my back and left it all.
I could not stay another day,
to laugh, to love, to work or play.
Tasks left undone must stay that way;
I've found now peace at the end of the day.
If my parting has left a void,
then fill it with remembered joys.
A friendship shared, a laugh, a kiss;
Oh yes, these things, I too will I miss.
Be not burdened with times of sorrow,
look for the sunshine of tomorrow.
My life's been full, I savored much;
good friends, good times, a loved ones touch.
Perhaps my time seems all too brief;
don't lengthen your time with undue grief.
Lift up your heart and peace to thee,
God wanted me now – He set me free.
