# *Miss Me, But Let Me Go*

When I come to the end of the  
road and the sun has set for me  
I want no rites in a gloom filled room.  
Why cry for a soul set free?  
Miss me a little but not too long  
and not with your head bowed low.  
Remember the love that we once shared,  
Miss me - but let me go.  
For this is a journey that we all must take,  
And each must go alone  
It's all part of the Masters plan,  
A step on the road to home.  
When you are lonely and sick at heart,  
Go to friends we know,  
Laugh at things we used to do  
Miss me - but let me go.
