# *When I'm Gone*

*When I am gone, release me, let me go  
I have so many things to see and do, You must not  
tie yourself to me with too many tears,  
But be thankful we had so many good years,  
I gave you my love, and you can only guess  
How much you have given are in happiness.  
I thank you for the love that you have  
shown,*

*But now it is time traveled on alone.  
So grieve for me a while, if grieve you must  
Then let your grief be comforted by trust  
That it is only for a while that we must part,  
So treasure the memories within your heart.*

*I will not be far away for life goes on.  
And if you need me, call and will come.  
Though you cannot see or touch me, I will be near  
And if you listen with your heart, you will hear  
All my love around you soft and clear  
And then, when you come this way alone,  
I will greet you with a smile and a  
"Welcome Home".*
