## Obituary

**Michael George Knight** aka “Mikey” was born on October 19, 1959 in Long Coffee, Devon, Manchester, Jamaica to Samuel and Selma Knight. He was the fourth of seven children. He attended Devon All Age School where he completed his education. Mikey, then, went to live with his uncle and aunt, Kenneth and Kathleen Boucher. He was taught the trade of carpentry by “Uncle Ken” and did farming on the side.

A detour was made in Mikey’s life when he migrated to the United States in September 1989 where God had a plan and purpose for his life. Mikey made a lot of impact on a lot of lives as we can see today. Mikey came to America on a farm work card and was able to join his family in the Bronx where he found gainful employment at Elmax Hardware until his death.

Mikey married Carletta but even though there were no children from the union, she has been a constant presence in the lives of his seven grandchildren until his death. Mikey has three children, they are 2 boys – Lucien and Kevin born in Jamaica and 1 daughter, Keisha born in the United States. Mikey has 5 brothers (Aston, Avril, Paul, Robert, Roy) and 2 sisters (Ruby, Jennifer). He leaves behind his aunts, uncles, nieces, nephews, cousins, grand nieces, grand nephews, co-workers, and a “multitude” of friends who are mourning his loss. Wherever Mikey went, he left an imprint on people as he is always laughing with his pearly white teeth and his trademark “folding of his hands”. Mikey always had folks laughing and when something is unbelievable stated, he would say “ah lie”. Mikey was extremely close to his brother, Avril; his cousins especially George and Courtney, and lots of friends especially his 2 ride or die, Kenneth and Pacah.

## *Big Bro*

*You watched me grow, I watched you change  
Life is filled with growing pains  
Life is so crazy, life is unkind  
Not a day goes by, that you don't stay on my mind.  
Nothing can compare to the bond we shared  
And when I look at your pictures,  
It causes me to stare.  
Words cannot express how I feel inside  
And when I think about you, I start to cry  
You were my Big Bro - and I was your Little Sis  
I guess you know by now,  
That you will be missed.  
I am proud of you - you made that  
transition from boy to a man  
As I live on, I know that you will walk with me  
Just make sure that when I fall short, you talk to me.  
Now that you're gone, that will have to do  
But I will never, ever stop loving you.  
Why this happened - I never will know  
But one thing that won't change -  
You will always be my Big Bro!*
