S h e loved to do hair, cook, knit, play jacks, jump rope, and was the neighborhood mom who was outspoken within the community. She always like to laugh and joke with the people around her.

Mrs. Wille Mae worked as homemaker at Visiting Homemaker service of Jersey City and later at Tropicana/ Pepsi Co as a security guard where she retired. Your Mother

Although you cannot hear her voice

or see her smile no more,
Your mother walks beside you
Still just as she did before.
She listens to your stories and
She wipes away your tears:
She wraps arms around you
And she understands your fears.
It's just she isn't visible to see with
Human eye, talk to her in
Silence and her spirit will reply.
You'll feel the love she has for you-
You'll hear her in your heart.
She's left her human body but
Your souls will never part.
