A Heart Of Gold

*A heart of gold stopped beating,
Two shining eyes at rest,
God broke our hearts to prove
He only takes the best,
God knows you had to leave us,
But you didn't go alone,
For part of us went with you,
The day He took you home.
To some you will be forgotten,
To others, just part of the past,
But to us who loved and lost you,
Your memory will always last.*

In Memoriam

Our lives go on without you. But nothing is the same. We have to hide our heartache when someone speaks your name. Sad are the hearts that love you, silent are the tears that fall. Living without you is the hardest part of all. You did so many things for us. Your heart was so kind and true and when we needed someone we could always count on you. The special years will not return, when we were all together. But with the love in our hearts you walk with us forever.

In Appreciation

*The family wishes to express their deepest gratitude for your support and encouragement during this difficult time. Words cannot express the level of kindness, love and sympathy you have shown us. Everything that has been done has been a source of strength and comfort.
May God Bless you all!*
