How can I say goodbye to a soul that lived forever. How can I mourn you when you rejoicing in heaven. Even though I miss you here I'm happy you're at peace. It's to late to say I should've, could've, would've but I didn't thank you for loving me since our blood is the same. So baby I won't cry because I'm sad. I'll cry because I'll miss you. So until the day our souls rejoice together just keep an eye on us from your new home in heaven I love you Charise and will miss you.

Mommy

Evergreen Cemetery Hillside, New Jersey O Allah, forgive and have mercy upon her. Excuse her, and pardon her, and make honorable her reception. Expand her entry and cleanse her with water, snow, and ice and purify her of sin as a white robe is purified of filth. Exchange her home for a better one. Admit her into the garden, protect her from punishment of the grave and torment of the fire.

To Allah we belong and to Allah we return.
