# *I'm Free*

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.*

*I could not stay another day.*

*To laugh, to love, to work or play.  
Tasks left undone must stay that way,  
I found that peace at the close of day.*

*If my parting has left a void,  
Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss,  
Oh, yes these things I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.*

*Good friends, good times,  
a loved one's touch.*

*Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free!*
