# Heaven Has Gained An Angel

*As you complete this temporary journey  
you have embraced our hearts  
Yes we mourn but realize this is where your life truly  
starts your smile sparkled greater  
than silver and gold We're willing to let go of your hand  
so that God can grab hold . We will always love you as  
you have continued to love us all we ask now is that you  
look down while you are above us we are grateful that  
God put us in the midst of your presence we breathe  
with your memory and walk with your essence. The  
Lord is our Shepherd He tends to us as sheep and  
mends the hearts that are weak until one day we can  
shake his hand and sit at his feet we don't think of you  
as a loss to our family that remains We cherish you as a  
beautiful angel that heaven has gained!*
