To Those I Love

To those I love and those that love me,
When I am gone, release me, let me go

I have so many things to see and do
You mustn't tie yourself to me with tears

Be happy that we had so many years.
I gave you my love, you can only guess

How much you gave me in happiness
I thank you for the love you each have shown

But now it's time I travel alone
So grieve for a while for me if you must
Then let your grief be comforted by trust.

It's only for a while that we must part
So bless the memories within your heart

I won't be far away, for life goes on
So if you need me, call and I will come

Though you can't see me or touch me, I'll be near

And if you listen with your heart you'll hear

All my love around you so soft and clear

And then, when you must come this way alone

I'll greet you with a smile and say,

“Welcome Home.”

When I Must Leave You

When tomorrow starts without me, and I'm not there to see if the sun should rise and find your eyes, all filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me too. But when tomorrow starts without me, please try to understand that an angel came and called my name, and took me by the hand and said, "my place was ready, in heaven far above and that I'd have to leave behind, all those I dearly love." But when I walked through heaven's gates, I felt so much at home. When God looked down and smiled at me, from His great golden throne. He said "This is eternity, and all I've promised you." Today for life on earth is past, but here it starts anew. I promise no tomorrow, for today will always last. And since each day's the same way, there's no longing for the past. So when tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart.

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.*

I could not stay another day.

*To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.*

*Good friends, good times,
a loved one's touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!*
