Obituary

Born on March 21st 1971 in Delmas, Haiti to Lucienne Joachim and Prudent Belledent, our blessing, **Margareth Belledent Louis** was delivered to Earth. With an exuberant personality and creative imagination, it wasn't long before many would be impacted by her essence.

Attending Erasmus Hall Highschool and studying Psychology at Kingsborough College in Brooklyn New York, our dearest Maggye carefully crafted her passions and ideas into experiences that would positively impact those around her. In order to provide the youths around her a safe haven and environment to express themselves and receive guidance, Maggye in 2009 founded her first organization, Heavenly Praise. Her crown Jewel, Roots1804, was established in 2016 purposed with not only serving her community in New Jersey, but also her homeland back in Haiti. Primarily a performing arts community service organization, there would be no limitations for the influence Maggye would have on her beloved youths and members of her community. Food drives, talent exhibitions, clothing distributions, facilitation of education for children in Haiti would be the preamble for the long list of things Margareth strived to do for those around her all whilst being a devoted and remarkable single mother to her only beautiful daughter, Abigail Louis, born May 19th, 1998. With enthusiasm Maggye served us in ways that were performative, educating, motivating but most importantly, inspiring.

Survived by her mother Lucienne Joachim and her daughter Abigail Louis, Maggye's legacy of philanthropy, love, and mentorship are with us still and are retained in good hands.

Recessional

One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
One belonging to me and one to my Lord.

After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.

This really troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and most troublesome times of my
life, there was only one set of footprints.
I don't understand why, when I needed You the most,
You would leave me."

He whispered, "My precious child,
I love you and will never leave you
Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."
