Obituary

Tyrique Angel Fisher was born on December 15, 1998 to Janet Fisher and Mark Hilliard in Peekskill, New York. He attended Peekskill and Ossining schools until he relocated to the Sunshine State of Florida (Tampa Bay Area) with his mother and siblings. He graduated high school in Florida and was attending college.

Ty, as he was affectionately known, loved sports and the game of football. He was a die-hard fan of the New York Giants. The game came to him easily at the age of eight while playing in the Ossining Youth League. He had a passion for the game and continued playing in his high school years. As a young adult, like most kids, his passion changed from sports and a dream of service to his country began. Ty aspired to serve. He spoke of enlisting in the U.S. Air Force or to follow in his father and sister's footsteps to serve in the military in one branch or another. He wanted to make his own imprint in life. Tyrique graduated from Nature Coast High School in Florida and was enrolled in college in pursuit of a Criminal Justice Degree with goals of working in the Juvenile Criminal Justice System. He had completed his third year and was poised to enter his fourth and final year this fall.

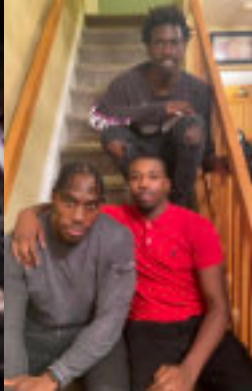

Ty's light was like a candle shining so brightly, destined for a great future. He was humble, respectful, a quiet young man who had a contagious smile that would bring light to the darkest room. He enjoyed family gatherings, he kept close ties with family and friends, and would often return to the Peekskill/Ossining area for holidays at any chance he got. Ty along with his close friends and family formed a group chat where they would often get together to keep up with one another. He was a great big brother to Dougie, Malik and Isaiah. His big dreams, aspirations, and a life to be lived was abrupt sadly on August 19, 2021.

Ty, you touched so many lives in your short time here and we were so honored to have known you. With much regret we will never have the opportunity to cheer you on as you soar into that great potential we had envisioned. Tyrique you left a void and will be greatly missed by all; your mother Janet, your father Mark (Lisa), grandmother Bishop Cecile Fisher, Grandmother Ms. Eleanor Jackson, siblings Yasmyne Hilliard, Mathew Sherrill, Tonya, Dougie, Malik, and Isaiah Fisher, also James, Jenay, Jasmine and Joshua Harley; aunts, uncles and a host of other family and friends. Tyrique, we grieve in pain of losing you, but we hope and pray that your life and your sudden departure will be a lesson to us all, one that will not be in vain.

Sleep on dear Tyrique and may God hold you in the palm of his hand until we all shall meet again.
