# OBITUARY

Gerard was born and raised in Newark, NJ.

Gerard went to Quitman Street Elementary School and completed his high school education at University High School in Newark. Gerard worked for several companies after completing high school and remained a dedicated employee with Sullivan and Sons for more than 10 years. In his spare time he loved spending time with friends and family, playing video games and traveling. He was a very gentle and easy going man who has affectionately been known as the guy who would give his shirt off his back to help anyone in need.

Gerard will live in our hearts and minds forever and he will never be forgotten.
