There are many things in life  
That we cannot understand  
But we must trust God's judgment  
And be guided by His hand  
And all who have God's blessing  
Can rest safely in His Care  
For He promises safe passages  
On the wings of faith and prayers

*Cremation*

As I sit in heaven  
And watch you everyday  
I try to let you know with signs  
I never went away  
I hear you when you're laughing  
I watch you as you sleep  
I even place my arms around you  
To calm you as you weep  
I see you wish the days away  
Begging to have me home  
So I try to send you signs  
So you know you are not alone  
Don't feel guilt that you have  
Life that was denied to me  
Heaven is truly beautiful  
Just you wait and see  
So live your life, laugh again  
Enjoy yourself be free  
Then I know with every breath you take  
You'll be taking one for me...
