Obituary

First I would like to give thanks to our God the Almighty. He woke us up and I hope all is well. Thank you for being with us today to celebrate the life of a remarkable woman, my mother **Kathleen**, also known as **Aunt Daugh**. She was 92 years old born in the island of Jamaica in 1929. There are no lessons about the art of mothering. We can only do our best and hope we do it well. My mother certainly did the best she knew how. She sacrificed her life for her children and always put them first. She was a caring, supportive and loving mother. She survived six children and three sisters. I am going to talk about some of the things that made her so special. Mom was self-made, independent and a very hard worker. Working mothers were sometimes criticized for not staying home with their families, but I never felt I suffered for not having her home with us most of the times. She was always working to provide shelter over our heads and food on the table. Her main income was working security at the JFK Airport. Mom can make a dollar turn into a million-dollars. I must say she did live the American dream. All her children are now here in the USA because of her and we all try our best to follow her footsteps in the American dream. Mom's favorite times was traveling with her church to different places. There is a favorite song she always sung called "Home Once More." She sang the song when she returned home from going out everyday. Yes, she's Watching Over Us. I will miss Mom for the rest of my life, but she left me with a beautiful legacy, a positive attitude, her passion for life and her unconditional love. I am very proud of her accomplishments and wish she could have spent more time with us. It was a surprise when she became very ill and the doctors gave a short time on her life. Now, I know her soul is with the Lord because Mom was a God-fearing woman, she always praised His holy name and gave Him thanks. Again thank you all for coming to help us celebrate this beautiful ladies life.

Quran 1: 1- 7 (Al-Fatihah)

*In the Name of God,
Most Gracious, Most Merciful.
Praise be to God, the Cherisher
and Sustainer of the worlds,
The most Gracious, Most Merciful,
Master of the Day of Judgement.
Thee do we worship,
and Thine aid we seek.
Show us the straight way.
The way of those on whom
Thou hast bestowed Thy Grace,
those whose (portion) is not wrath,
and who go not astray.*

Acknowledgements

*The family wishes to acknowledge with deep appreciation
the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
